MEMORANDUM FOR THE ACTING DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: SE-49: The Current Outlook in Iran

1. Subject estimate was laid on, on a "crash" basis, at the IAC meeting of 18 August for the purpose of providing an immediate estimate of the short-term outlook in Iran pending completion of the full-scale NIE on Iran scheduled for the fourth quarter. A draft was approved by the Board of National Estimates and circulated to the IAC agencies on 20 August. The present draft was concurred in by the IAC representatives on 24 August.

2. Despite the continuing element of uncertainty in the Iranian situation, the agencies were in substantial agreement with us throughout the IAC representatives' discussion, and all points of detail appear to have been worked out to the satisfaction of all concerned. We therefore do not expect changes to be proposed at the IAC meeting.
